Happy Wednesday, October 26th!

Congratulations to Mrs. Carla Even who was the **winner of the October Cedar Valley Tools for Schools \$500 grant** sponsored by the University of Iowa Community Credit Union and Sylvan Learning Center in Cedar Falls!! Mrs. Even submitted an essay describing her project that will greatly benefit all the students she works with at Sacred Heart! Her project focused on purchasing board games that require students to use reading strategies. Research shows that **playing board games not only increases brain function and offers mind-enriching opportunities, *but they are fun too!***

Next, **all Cardinals in Grades 3-4-5 will again be taking Iowa Assessments beginning November 2nd**. It is very important for all students to get plenty of sleep at night and eat breakfast in the morning. We will be sending home a more detailed schedule next week. Thank you for ALL you will do to support your child's performance on this state assessment!

Our annual PTC fundraiser **is now going on!** Cases of chocolate bars are available for pick up in our school office. **Only students who have a signed permission slip** will be allowed to participate. The sale will end on Friday, November 18th. All monies need to be turned in that day in our office. Thank you for all your help!

Enjoy having **Thursday, Friday, Saturday and Sunday off** with your family!

As always, thank you for your prayers and support.

Principal
