From the Desk of Cheryl Werner, Principal

Happy Thursday!

Our **teachers have a professional learning day on FRIDAY** with many important opportunities, focused on implementing the new Eureka Math materials, incorporating varied reading strategies, and planning lessons focused on content standards. Another focus area is increasing our understanding of the English language proficiency standards used by Iowa schools to guide the instruction and assessment of English language learners.

This means there is **NO SCHOOL on Friday** for our Cardinals! *Enjoy this day off with your children!*

I have included the **September newsletter from NCEA**, the National Catholic Education Association. It reflects upon the important choice you have made to send your child(ren) to a Catholic school. A critical quote in the newsletter says, “*A Catholic school is more than a place to gain academic knowledge. While a strong educational program is essential, Catholic schools are special because they are communities of faith as well as knowledge. The Catholic school operates in an environment that fosters the development of the whole person.*” Enjoy this newsletter and continue to spread the good news! **We are so blessed to have you here at Sacred Heart! Thank you for joining us on this journey!**

Finally, we are welcoming back wonderful volunteers who spend time with our Cardinals and classroom teachers. These volunteers might be reading or writing or reviewing prayers with our students. A final list will be published next week! We are thankful for their generous gift of service to Sacred Heart School!

Thank you for ALL your prayers and support!
Mrs. Cheryl Werner

September
