From the Desk of Cheryl Werner, Principal

Attached to this newsletter is the first of a five part series of parent NewsNotes from the Office for the Protection of Children from the Archdiocese of Dubuque. The purpose of these publications is to help all of us be more informed of the issues and topics related to the abuse of children. It is our sincere hope that by partnering together we can continually provide the safest possible environment for all our young people to grow into healthy, Christ-filled adults. Future NewsNotes will be distributed during the months of October, November, January, and February. Additional resources can be found at the Virtus website at <http://www.virtusonline.org>.
